

## Active vacation:

### The North Sea Trail

Three paths through the cultural- and natural history of Fedje.

### Aurihopen

The perfect spot for a family picnic!

### Bathing

If the weather is nice, why not go bathing in Husavatnet?

### Øyane

«The islands» are situated just north of the Hellisøy Lighthouse.

Here you need a boat or a kayak and appropriate weather conditions. You should never go boating without checking the weather forecast!

## Historical Fedje:

### Fedje WWII site, Vidnappen

Fedje was strategically important for the Germans during WW2. At Vidnappen you can see the remains of the war time structures.

### Fedje Church

The church was finished in 1941 and seats approx. 400 people.

There have been churches at the site of the present church since the 17th century.

### Hellisøy Lighthouse

The light at Hellisøy was first lit in 1855. Today the lighthouse is automated. For visits: [www.hellisoyfyr.no](http://www.hellisoyfyr.no), [hellisoyfyr@gmail.com](mailto:hellisoyfyr@gmail.com).

### Holmengrå Lighthouse

Coastal lighthouse from 1892. See [visitfedje.com](http://visitfedje.com) for more information about visiting/renting the lighthouse.
